

Appendix D:

Partner Organizations' Reports on NRS-Related Efforts
Reporting Period June 1, 2015 to May 31, 2016

Contents

Water Resources Coordinating Council:

- Environmental Protection Agency - Region 7
- Farm Service Agency
- Iowa Department of Agriculture and Land Stewardship
- Iowa State University - College of Agriculture and Land Stewardship
- University of Iowa - College of Engineering

Watershed Planning Advisory Council:

- Conservation Districts of Iowa
- Iowa Corn Growers Association
- Iowa Farm Bureau Federation
- Iowa Pork Producers Association
- Iowa Soybean Association

Other Valued Partners:

- Agriculture's Clean Water Alliance
- Iowa Agricultural Water Alliance
- The Nature Conservancy
- Trees Forever

**Environmental Protection Agency (EPA) - Region 7
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

Inputs Element

Funding sources appropriated by or for your organization, related to soil conservation, water quality, or Nutrient Reduction Strategy efforts								
	Program Name or Description	Funding Amount for your organization (\$/year)	Total Project Funding (\$/year)	Primary Funding Source	How would you classify this funding?	How many years will this funding be predictably available in the future?	How many years has this funding been available so far?	Primary Product of Funding
1	EPA 319 Grant - Nonpoint Source Activities	3556000	3556000	Federal Agency	Grant-based funding	Annual program grant. Nothing to indicate elimination in the near future	26	On-the-ground implementation
2	Water Quality Planning - 604b	183000	183000	Federal Agency	Grant-based funding	Annual program grant. Nothing to indicate elimination in the near future	18	NRS Infrastructure (e.g. administrative support)
3	NPDES - 106 Grant Wastewater Program Management	29666000	29666000	Federal Agency	Grant-based funding	Annual program grant. Nothing to indicate elimination in the near future	40	NRS Infrastructure (e.g. administrative support)

**Environmental Protection Agency (EPA) - Region 7
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

Human Element

Education and outreach events that your organization hosted between June 1, 2015, and May 31, 2016.

	Type of Event	Date (mm/dd/yyyy)	Location (Town and/or County)	Topics Covered	Attendance	Partner Organizations
1	Case Studies on Implementing Low-Cost Modifications to Improve Nutrient Reduction at Wastewater Treatment Plants	10/15/2015	Webcast - https://www.epa.gov/sites/production/files/2015-10/documents/potw_presentation_10_8_15.pdf	Water Quality, WWTF	Unknown - National Webcast	EPA HQ
2	Iowa Bar Assn - Water Quality Presentation	10/23/2015	Des Moines	Water Quality, NRS-focused	Unknown	IA Bar Assn - sponsored, EPA presentation
3	EPA Releases Scientific Report Showing U.S. Coastal Waters a Mix of Good and Fair Health	2/25/2016	Webinar - https://www.epa.gov/sites/production/files/2016-02/documents/presentation_for_ncca_webcast_february_25.pdf	Water Quality	Unknown - National Webcast	EPA HQ
4	Shedding Light on Cyanobacteria	3/10/2016	Webinar - https://www.epa.gov/nutrient-policy-data/webinar-march-10-2016	Water Quality	Unknown - National Webcast	EPA HQ
5	EPA REGION 7 FOUR STATE HARMFUL ALGAL BLOOM QUARTERLY ROUNDTABLE	5/18/2016	Conference call	Water Quality	20	EPA R7 and 4-states
6	EPA Tools and Resources Webinar:Harmful Algal Blooms	5/18/2016	Webinar - https://www.epa.gov/sites/production/files/2016-05/documents/habs_webinar_slides_combined.pdf	Water Quality, Drinking Water	Unknown - National Webcast	EPA HQ
7	WRCC Meetings	6/2015 - 5/2016	Meetings	Water Quality, Soil Health, Practices Recommended by the NRS, Conservation Funding Opportunities, Other	EPA attended all but one meeting	

**Farm Service Agency (FSA)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

Inputs Element

Staff resources for implementing the NRS and/or water quality improvement	
	FTEs
Infrastructure staff (e.g. administrative support)	0
Research Staff	0
On-the-ground implementation staff	0
Other	0

Funding sources appropriated by or for your organization, related to soil conservation, water quality, or Nutrient Reduction Strategy efforts								
	Program Name or Description	Funding Amount for your organization (\$/year)	Total Project Funding (\$/year)	Primary Funding Source	How would you classify this funding?	How many years will this funding be predictably available in the future?	How many years has this funding been available so far?	Primary Product of Funding
1	CRP		225 Million	Federal Agency				

**Iowa Department of Agriculture and Land Stewardship (IDALS)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

Inputs Element

Staff resources for implementing the NRS and/or water quality improvement	
	FTEs
Infrastructure staff (e.g. administrative support)	113.975
Research Staff	
On-the-ground implementation staff	58.575
Other	

these figures include FTEs funded through our programs, but not necessarily IDALS employees.

Funding sources appropriated by or for your organization, related to soil conservation, water quality, or Nutrient Reduction Strategy efforts								
	Program Name or Description	Funding Amount for your organization (\$/year)	Total Project Funding (\$/year)	Primary Funding Source	How would you classify this funding?	How many years will this funding be predictably available in the future?	How many years has this funding been available so far?	Primary Product of Funding
1	Ag Drainage Well Closure (ADW)	\$ 1,920,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	18	Infrastructure, implementation
2	Conservation Reserve Enhancement Program (CREP)	\$ 1,000,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	14	Infrastructure, implementation, monitoring
3	Groundwater Protection Fund	\$ 699,743.00		State Agency	Sustained Funding	Indefinite*	25	Infrastructure, monitoring, research
4	Integrated Farm and Livestock Management Fund (IFLM)	\$ 625,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	16	Infrastructure, research, outreach
5	District Initiatives/Iowa Buffer Initiative	\$ 1,000,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	17	Infrastructure, implementation

**Iowa Department of Agriculture and Land Stewardship (IDALS)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

6	Iowa Financial Incentives Program (IFIP)	\$ 6,750,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	43	Infrastructure, implementation, research
7	Iowa State Revolving Fund (SRF)*	\$ 39,800,000.00		State Agency - jointly with IFA and DNR	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	12	implementation
8	Resource Enhancement and Protection Program (REAP)	\$ 3,180,581.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	28	Infrastructure, implementation
9	Soil and Water Conservation Administration	\$ 2,700,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	5	Infrastructure
10	Water Quality Initiative (WQI)	\$ 9,600,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	3	Infrastructure, implementation, monitoring, outreach
12	Watershed Protection Fund (WSPF)	\$ 900,000.00		State Agency	Annual Appropriations	Dependent on annual appropriations for the Iowa Legislature	18	Infrastructure, implementation, monitoring, outreach

*Indefinite availability as long as tax on ag chemicals is in place and as long as these products are purchased in the state to generate this revenue

Iowa Department of Agriculture and Land Stewardship (IDALS)
 Reported NRS Efforts - June 1, 2015 to May 31, 2016

Reported NRS Efforts - June 1, 2015 to May 31, 2016**

Water Element

Efforts are underway to inventory and compile ISU's edge-of-field monitoring efforts.

ISU conducts and supports other water monitoring projects, most of which have been reported by partners.

Water Element

UI submitted information on 44 water monitoring sites that measure nitrate, nitrite, and flow in real-time. Select sites monitor other parameters as well, including temperature, pH, and others.

For the sake of brevity, this part of the report was excluded from this appendix. For more information on the reported sites, contact Laurie Nowatzke at lwissler@iastate.edu, or visit <http://iwqis.iowawis.org/> .

Those items entered as other were paid through IPPA's voluntary check-off/non-market funds. Other was selected to not confuse with our mandatory national Checkoff program. All funds were paid from IPPA annual budgets. No additional "soft money" or grants were sourced by IPPA.

IAWA and INREC are IPPA specific funds allocated to these efforts. Other commodity and industry

5	IAWA Management Team Meeting	6/25/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	7	
6	RCCP Proposal Preparation	6/26/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	13	IDALS
7	Rock Creek and NFWF Updates	6/26/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	5	ISA
8	Nutrient Strategy Coordination Opportunity	6/29/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	4	ISA
9	IAWA Advisory Council Meeting	7/7/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	16	
10	IAWA 4R's Webinar for Agronomy Society Association	7/16/2015	Ankeny/Polk	Water quality; Soil health	100	Agronomy Society, The International Plant Nutrition Institute
11	IAWA Prestage Farm Tour	7/21/2015	Rippey/Greene	Water quality; Soil health; Practices recommended by the NRS; Other	7	IPPA
12	IAWA Greater Des Moines Partnership Discussion	7/23/2015	Des Moines/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	14	Greater Des Moines Partnership, NRCS, City of Des Moines
13	Soil Health Partnership Field Day	8/4/2015	Postville/Allamakee	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	38	Soil Health Partnership, ISU, NRCS

**Iowa Agricultural Water Alliance (IAWA)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

14	IAWA Management Team Meeting	8/7/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	7	
15	South Fork Water Quality Showcase	8/8/2015	Iowa Falls/Hardin	Water quality; Soil health; Practices recommended by the NRS; Other	18	ICGA, South Fork Watershed Project, ARS
16	RCP - IAWA - IDALS Planning for Full Proposal	8/10/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	5	IDALS
17	IAWA Board Meeting	8/18/2015	Johnston/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	13	
18	RCP Full Proposal	8/26/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	23	IDALS
19	CDI Conference	9/1-2/2015	Altoona/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	100	CDI
20	Soil Health Partnership Field Day	9/2/2015	Sioux Rapids/Buena Vista	Water quality; Soil health; Practices recommended by the NRS; Other	35	Soil Health Partnership, NRCS, IDALS, WQI
21	Bardole Family Field Day	9/3/2015	Rippey/Greene	Water quality; Soil health; Other	40	Green County Farm Bureau
22	Iowa's Soil and Water Future Task Force	9/15/2015	Des Moines/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	12	Greater Des Moines Partnership, Peoples Company and Urban Land Institute

**Iowa Agricultural Water Alliance (IAWA)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

23	Clay County Fair	9/19/2015	Spencer/Clay	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	60	ISA
24	Verdesian Field Day	9/25/2015	Guthrie Center/Guthrie	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	55	Verdesian, Central Valley Ag, New Coop
25	IAWA Management Team Meeting	9/28/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	6	
26	RCPP Model Integration Team	9/29/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	17	IDALS
27	RCPP meeting with Polk County Conservation Board	10/8/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	3	IDALS
28	Central Valley Ag Nebraska - RCPP Grant	10/9/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	3	
29	IAWA-GROWMARK-IDALS	10/9/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	6	IDALS
30	RCPP All Partners Meeting	10/13/2015	Ankeny/Polk	Water quality; Soil Health; Practices recommended by the NRS; Conservation funding opportunities; Other	38	IDALS
31	IAWA Communications Meeting	10/15/2015	Des Moines/Polk	Water quality; Conservation funding opportunities; Other	5	

**Iowa Agricultural Water Alliance (IAWA)
Reported NRS Efforts - June 1, 2015 to May 31, 2016**

32	Iowa's Soil and Water Future Task Force	10/20/2015	Des Moines/Polk	Water quality; Soil health; Conservation funding opportunities	14	Greater Des Moines Partnership, Peoples Company and Urban Land Institute
33	Iowa's Soil and Water Future Task Force Advisory Meeting	10/27/2015	Des Moines/Polk	Water quality; Soil health; Conservation funding opportunities	64	Greater Des Moines Partnership, Peoples Company and Urban Land Institute
